## Education

- Third year Bachelor of Science student in Computer Science at McGill University (2021 - present)

## Volunteering Experience

**July 2019 – August 2019**

**UBC Geering Up - Camp Junior Instructor**

- Assisted with camp material prep work and performed other duties as requested by the instructors
- Enforced safety and risk management policies and ensured every participant was safe and enjoying themselves
- Supported instructors and encouraged campers to engage in activities

## Work Experience

**2015 – 2019**

**Vancouver Athletic Football Club (VAFC) - House League Soccer Referee**

- Monitored recreational youth soccer games
- Ensured that coaches and players knew the rules before starting games and made sure that the kids followed the rules of fair play
- Communicated with coaches and players before games to remind them of any safety concerns, such as lack of proper soccer equipment

## Extracurricular Activities/Achievements

- **(2021)** Completed Water Safety Instructor course
- **(2021)** Completed National Lifeguard course
- **(2019)** Completed National First Aid Course
- **(2018 – 2021)** Swimmer - Percy Norman Swim Club
